

# Grant Application Assistance to Replace Drayage Trucks that have Retrofit Filters

**In-person assistance available:**  
**Thursday, February 2nd - 1pm to 5pm**  
**Monday, February 6th - 1pm to 5pm**

OT411 Trucker Information Center  
Maritime Ave/Alaska Rd, Port of Oakland

**This is the last opportunity to get State funds to replace these trucks**

## Get help with your application – Get answers to your questions

BAAQMD staff will answer questions, provide applications to those who did not receive them (truck must be on Eligibility List to receive application form), and help complete applications. Lenders have been invited to this event to provide financing assistance for projects. Application assistance is also available via telephone Monday through Thursday from 9am to 6pm.

## What's available?

Grants of up to \$30,000 and loan assistance to existing drayage trucks that have a 1994-2003 engine and were registered in the California Drayage Truck Registry (DTR) and retrofitted with a diesel particulate filter and by June 30, 2010 are eligible to receive an application and apply for funding.

## Who is Eligible?

This program is **not** open to all trucks. Check the Eligibility List for truck VIN or license plate. If you believe you should be eligible but did not receive application packet in the mail or your truck is not listed, call CA Air Resources Board at 916-444-6637.

Eligible trucks are listed at BAAQMD Website – visit [www.baaqmd.gov/goods](http://www.baaqmd.gov/goods) and click link for **CARB Priority Drayage Truck Eligibility List** link (opens PDF).

**Applications must be submitted or postmarked to CARB  
no later than February 9, 2012.**
